

/home/rodrigo/development
/tenacitas.lib/src/tnct
/lib/dat/event_priority.h

```
graph TD; A["/home/rodrigo/development  
/tenacitas.lib/src/tnct  
/lib/dat/event_priority.h"] --> B["cstdint"]; A --> C["iostream"]
```

The diagram illustrates a file path structure. A top box contains three lines of text representing a path: /home/rodrigo/development, /tenacitas.lib/src/tnct, and /lib/dat/event_priority.h. Two blue arrows originate from the bottom of this box and point to two separate boxes below. The left box is labeled 'cstdint' and the right box is labeled 'iostream'.

cstdint
